PRODUCT OVERVIEW

MANUAL MODE

In manual mode, you have complete control over the weighing and timing process.

Press the Power button to start the timer, and the Tare button to tare the scale.

Start/Pause timer

Single press

Clear timer

Press and hold

Power off

Double press

Change unit

Double press

Change function

Press and hold

Tare

Single press

ESPRESSO MODE

In Espresso mode, both taring and timing are automated.

After placing the cup and once the weight stabilises, the scale automatically tares to zero and starts the timer when it detects water flow.

The timer stops when the water flow ceases.

Double press

Power off

Double press

CHARGING

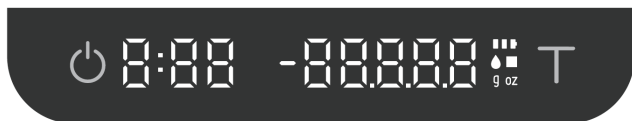

- Before charging, make sure the on/off switch is set to on.
- Do not use the scale while charging.
- During charging, the battery icon will blink to indicate that the scale is charging.
- When fully charged, the icon will stop blinking.
- When the battery level is low the display will show "Lo".

SOUND

You can only change the sound setting when the scale is powered on and the display shows the full screen, as illustrated.

- To turn the sound **off**: Press and hold the Tare button until you hear two short beeps.
- To turn the sound **on**: Press and hold the Tare button until you hear one long beep.

GUARANTEE

Wilfa issues a 5 year guarantee on this product from the day of purchase. The guarantee covers production failure or defects that arise during the guarantee period. Your purchase receipt works as proof towards retailer if claiming your guarantee. The guarantee is valid only for products that are bought and used in private households.

The guarantee is not valid if the product is used commercially. The guarantee is not valid if the product is misused, used by negligence, if not following instructions given by Wilfa, if modified or if unauthorized reparation is done. The guarantee is also not valid for normal wear of the product, misuse, lack of maintenance, use of wrong electrical voltage or:

- Overloading of product
- Parts you can expect being replaced regularly (e.g. battery etc.)

**Instruction manual is also available at our website;
